| <b>Product Identifier(s)</b> | Silfra Branded       |

### PRODUCT DESCRIPTION

- Silfra Pop up wastes are manufactured from Brass with either chrome, black powder-coat, or PVD finishes (depending on model).
- 32mm or 40mm with or without overflow (depending on model).
- Designed to fit in basins and baths to allow traps to be fitted to comply with AS/NZS3500.2:2021 plumbing regulations.
- Size of dome (top) varies by model - see specification for details.

### SCOPE OF USE

- Silfra Pop Up Wastes are designed for domestic and light commercial applications.
- Care must be taken with chemicals and abrasives that may cause damage to the finish of the product. See Warranty & installation instructions.
- Wastes form part of a system within AS/NZS3500.2:2021 plumbing regulations to prevent foul smells entering a dwelling.
- Must be installed by a registered plumber and in accordance with AS/NZS3500.2:2021 Plumbing Regulations.

### CONDITIONS OF USE

- Silfra Pop Up Wastes must be installed by a registered plumber in accordance with the installation instructions provided with the product and to AS/NZS3500.2:2021 plumbing regulations.
- Cleaning and maintenance shall be done in accordance with the manufacturer's Warranty/Cleaning instructions.

### RELEVANT BUILDING CODE CLAUSES

B2 Durability — B2.3.1 (b)

F2 Hazardous building materials — F2.3.1

G13 Foul water — G13.3.1, G13.3.2

### **CONTRIBUTIONS TO COMPLIANCE**

- B2.3.1 (a) (ii) and (iii): Silfra Pop Up Wastes have a durability of at least 5 years when not exposed to harsh abrasives or cleaning chemicals. Refer to warranty & Installation instructions.
- F2.3.1: Silfra Pop Up Wastes are safe to handle when installed as per the supplied installation instructions. There are no requirements for this product to comply with Acceptable Solution F2/AS1, First Edition Amendment 3, 2017. - G13/AS1 - G13/VM1: The above products comply with this standard when installed to AS/NZS3500.2:2021 Plumbing Regulations in terms of supplying an acceptable solution by providing a water trap to prevent smells from the waste/sewer entering a dwelling.
